The Electronic Visa System of the Islamic Republic (**evisa.mfa.ir**) is the official platform for submitting visa applications to travel to Iran.
This platform handles document submission, application status tracking, and obtaining issued visas through insurance.

Main types of visas:

- Tourism – Commerce - Medical Treatment - Education - Entry - Transit - Global – Investment - Temporary Work - Airport Visa upon arrival at international terminals in Iran

The list of approved tourism centers and medical institutions is available on the embassy's website
(algeria.mfa.mfa.ir)
